

# Day 2 Snack Idea

Our theme for today: **God has the power to comfort!**

## Ingredients:

Strawberry (cut in half)  
Rice Cake  
Cream Cheese (and plastic knife to spread)

A Tasty Treat...

## Directions:

### Today's Mountaintop Treat **A Heart-y Snack**

Read aloud today's Bible verse: **"He heals the brokenhearted and bandages their wounds" (Psalm 147:3).**

Say: **When we get well after feeling sick or sad, it's a good feeling! Kind of like our heart is happy and whole.** Hold two strawberry slices together so they look like a whole heart. As your Crew puts strawberry heart halves together on rice cakes and starts eating, work together to make up a song to celebrate that **God has the power to heal. (Hold on!)** You can make up your song to the tune of well-known songs such as "Mary Had a Little Lamb" or "Twinkle, Twinkle Little Star." Once you've made up a song, sing it to a Crew next to you.
