

Day 5 Snack Idea

Our theme for today: Even if you're lonely, Jesus is with you!

Ingredients:

Pudding cup
Swedish fish or gummy worm
Graham Cracker (crushed to be crumbs)

Directions:

Today's Tropical Treat Sand-licious Parfait

1. Have your Prayer Person pray for snack.
2. Have kids open their pudding cups and use a spoon to scoop some of the crushed cookie "sand" from the bag to sprinkle over their pudding.
3. Each kid can take one gummy fish snack and lay it on top of the cookie layer.
4. Say: **That's a lonely little beach with a lonely little fish! There are times we all feel a lot like that fish—like we're on our own. Our Bible verse, Psalm 27:10, says, "The Lord will hold me close." Have everyone pick up his or her pudding cup to take a close look at it. When you feel all alone, it's hard to remember that Jesus holds you and everything around you in his hands. It's hard to imagine hands that can do all that, but Jesus' hands can! The Lord, Jesus, holds you close.**
5. Allow kids to eat and continue to add layers of crushed cookie to their treats.
